Wickepin Notes

by HAZEL GREEN

Sport success

THE most notable part of the weather in the last week has been the very severe frosts.

There have been a few millimetres of rain but still no big rainfall event.

Football

The Wickepin Football Club had a good day on Sunday when they played Boddington at home.

Although the fourths did not manage to win, they played well and all other teams were successful.

The league had a good win against the favoured Boddington team.

Next week the Warriors will be at home against Wagin.

On Friday, July 2 the club will have a fundraiser event. Starting at 7pm, there will be a quiz night and the return of the Koonac Cup.

Call 0403 184 379 for more information.

Bingo

Friday night saw a good crowd of people at the sports club for a meal and some fun games of bingo.

First Aid

There are a few vacancies in a two-day first aid course to be held on July 17 and 18.

Call Irene Moore on 9888 1027.

Golf

On Thursday there will be a mid-week golf event at Wickepin.

The men's four ball event will be a running draw.

Be there by 12pm.

Gardening

For the past few years the shire has been working with Prue Duffy from the Department of Water to remove weeds and plant trees in the Yarling Brook area. This year Prue will be here on Tuesday, July 6, at 9am.

Culture and community vital to society's fabric

WITHOUT a culture and without community, we have nothing.

The Community Arts Network WA's launch of Strong Culture, Strong Community in Narrogin last week reminded us of that.

The event brought together Noongar families, including children and elders, and plenty of non-indigenous people as well. Mayor Don Ennis was there and was seen buttering a warm piece of damper.

The event was a creative experience full of laughter, a spirit of place and a complete celebration of pride in being a resilient community.

We are proud to have come together at such a wonderful event and hope the network can offer this experience to the community of Narrogin more often because we want to come together more often.

Strong culture, strong community.

Revel Kickett, Kathleen Jackson, Priscilla Kickett and Murray Riley
