CAN's new radio show will rekindle *Stories on Country*

Community Arts Network is proud to partner with 100.90fm Noongar Radio to present a new fortnightly radio program that will showcase stories, art and music from the South West and Wheatbelt.

Called '*Stories on Country*' the show will feature interviews with Noongar Elders and artists involved in community arts projects outside of the metropolitan area.

The program will also give listeners the chance to hear CAN's archive of Noongar oral history and music recordings that have been collected over the past decade.

"CAN has a long and proud history of working with the Noongar community to capture extraordinary stories from everyday people.

"These recordings form an important part of our nation's history and this new program will allow us to share these rich and powerful stories with the broader community." Said CEO Jo Metcalf.

Stories on Country will be presented on 100.9fm Noongar Radio fortnightly at 11.00am, every second Tuesday Morning.

"This new show, presented by CAN, will complement Noongar Radio's exciting new line up of programs created by our community." Said Noongar Radio's Manager Paul Whitton.

The program will be produced and presented by CAN arts workers with special guests from regional WA.
